Dear Parents/Guardians

My name is Miss Brie Jackson I am excited to welcome your child into my Year 4/5 class for 2023. Here is just a little bit about myself. I graduated from Edith Cowan University with a Bachelor of Education (Primary) in 2015. I moved to Meekatharra in 2016, then on to Mullewa for 6 months in 2018, followed by Kojonup later in the year. I moved to Kukerin for 12 months in 2021 and then onto Katanning at the beginning of 2022. I have taught across a variety of year groups, and I thoroughly enjoy working with middle and upper primary students. I enjoy living in Katanning and am quite involved in the community. I play netball and am an Ambulance Volunteer.

I am really excited for the year ahead! We will be reviewing a lot, learning even more, and of course having lots of fun along the way.

Years 4 and 5 are exciting years filled with continued independence and increasing abilities. These years are where students build upon concepts of the previous year and students begin to explore leadership opportunities that Upper Primary has to offer.

I look forward to getting to know your child and working with you throughout the year. Please feel free to contact me with any questions or concerns by email at brianna.jackson@education.wa.edu.au or alternatively you can make an appointment to meet with me after school.

Kind Regards

Miss Brie Jackson
