

# Publication Consent

To promote our school we often use **Student names and photographs** in relation to activities at the school. It is now a requirement that we have parent/guardian permission to publish names/photographs of students. Rather than have you sign a permission slip for every name/photograph we wish to publish, we request you sign a general permission slip.

I, (please insert your name) \_\_\_\_\_ give permission for the school to act as indicated for my child/children as named on this form:

- Class displays and portfolios, school pinup boards
- Newsletter, school website and local newspaper (newsletters are available to view on the school website)
- NO** names and photographs are to be used

★ *Please note, the school does not utilise Facebook and other social network sites.* ★
