

Braeside Primary School

Honour, Pride and Achievement

Issue 14 Tuesday 27th October 2020

Vision:

Braeside Primary School is a dynamic learning community that values diversity and fosters a sense of belonging.

We meet the needs of each individual through collaborative, reflective, and evolving school-wide practices that provide explicit, engaging experiences. Our students achieve their academic, emotional and social potential and are contributing members of the community.

Principal's News

What a busy couple of weeks we have had with Interschool Carnivals, Margaret Cotton Music Festival, Book Week Parade and our entries at the show. Students have had many opportunities through these experiences and others to participate in a wide range of experiences related to sports or The Arts. Mrs Newman did her final Art Extension day for the year yesterday and students will be showcasing their pieces.

End of Year Concert

The scheduled date for End of Year concert is Wednesday 9th December 2020 at 6pm. With current COVID guidelines in place we have made the decision to host the assembly on the school oval. If guidelines change, we will shift up to the undercover area. The alternate date, if rain occurs is the next day Thursday 10th December 2020. So please keep both of these dates free. The format will remain the same, the evening will start with awards and conclude with the whole school performance. Class teachers will be sending home notes for costumes over the next few weeks and Mrs Newman is busy writing the script and selecting her cast. We will have seating provided and parents can bring their own chairs to sit on the tiered limestone areas. We have estimated and considered the size of the area, ensuring we have room to cater for all who arrive.

Interschool Carnival

Congratulations to all who participated in the carnival representing Braeside and to those who won Champion or Runner up trophies. Special mention to all parents who attended on either day, thank you for following our COVID plan and ensuring we could host the event safely. Miss Collins did a fantastic job of organising and co-ordinating both days and I would like to thank her and all staff involved for their contribution.

Level 3 Classroom Teacher

Congratulations to Miss Smallacombe who was notified last week that she had gained Level 3 Classroom teacher accreditation. Nicole has been working towards this for the last 3 years and it is exciting to see her gain this recognition.

INTERSCHOOL ATHLETICS CARNIVAL

On Wednesday 14th October Braeside Primary School participated in the Jumps, Throws and 400m running races with Katanning Primary School and St Patrick School. The running and team events were on Thursday 15th October and all Schools enjoyed the day competing against each other with fabulous sportsmanship throughout the day.

Overall winner of the Carnival was Katanning Primary School, with Braeside Primary School close behind with second and St Patrick School a close third.

Congratulations to all schools and to all Students

SCHOOL NURSE

Puberty

Puberty is an interesting time for children and their parents. Children may become bewildered or embarrassed about what is happening to them. It is important to talk to your child about the physical and emotional changes that come with puberty. Many children will start to compare his or her body with others. Remind your child that people come in all shapes and sizes. It's also important that you don't compare your child's body with anyone else's body.

Talk soon. Talk often. A guide for parents talking to their kids about sex is an excellent (free) book available from http://healthywa.wa.gov.au/Articles/S_T/Talk-soon-Talk-often
You can also show and discuss the Hormone Factory website with your child at <http://www.thehormonefactory.com/>

Education about growth and development is usually conducted at school during years 5, 6 and 7. Your child's teacher can give you more information about the content of these classes.

If you are concerned about your child's development you can talk with your local Community Health Nurse, on **98216278**.

Bring out your child's exceptional creativity and academic talent with our unique Gifted and Talented Programs.

Our academic, arts and languages programs offer learning environments that challenge, inspire and empower children to excel and thrive.

Programs are run at select public secondary schools in Perth, Albany and Bunbury, and include a fully selective academic school, an arts college and an online program.

Your child will learn with like-minded peers and be taught by expert teachers and mentors who will extend and enrich their studies.

If your child is in Year 5 in 2020, you can apply now for entry into Year 7 in 2022. Limited places may also be available for children entering Years 9, 10 and 11 in 2022.

Boarding facilities are available at:

- City Beach Residential College (Perth)
- Albany Residential College

You can also apply to receive a boarding allowance.

Academic online study program available.

Regional and remote students can study online using innovative technology that provides real-time access to the program while attending their local public school.
