Principal’s News

As the sun finally starts to rise a little earlier and the weather begins to warm, we finish off another busy term at Braeside. Yesterday’s Learning Journey was a wonderful showcase of student learning and achievement in each and every classroom, including our new Science room. Staff and students were pleased show their accomplishments to so many parents and caregivers. Some of you had the opportunity to experience first hand some of our whole school Literacy and Numeracy programs, including Mathletics, Reading Eggs, Letters and Sounds, Maths games and hands on Science activities. The feedback your children receive during these events and the interaction with you in their place of learning encourages and supports them on the road to future learning goals. We thank you all for attending.

Athletics Carnival

All students survived their way through a cold and wintry day for the carnival last week. They displayed fantastic sportsmanship and commitment throughout the day, never giving up and participating in all events they were nominated in. We had a terrific turnout of Kindergarten students on the day, who ran their race confidently. Congratulations to the following Champions and to Mallee for winning the carnival overall. Special mention to Josh Reeves who received the overall Carnival sportsmanship award for 2018.

2019

At this time of the year, the school is busy recruiting staff and arranging contracts for teachers for 2019. We wish to congratulate Mrs Joanne Tester who has won the position of Permanent Associate Principal, commencing in 2019. With Jo’s appointment we look toward continuing a stable Administration structure into the next few years.

Some staff are leaving us for 2019, Miss McCarley will be here for the first 5 weeks and then taking long service leave for the remainder of the year.

As well as retaining our permanent staff, we have contracted Miss Palmer, Mrs Campbell, Miss Maguire and Miss Breen full time for next year. As a school we are looking forward to a year with minimal staff turnover. Classes will be released at the beginning of next term, with the structures looking like we may actually have many straight classes.

As a part of the Government election commitments we have been granted an additional 1.4 mainstream Education Assistant time to support students. We are in the process of undertaking a gap analysis and planning programs for the Strategic Plan 2019-2021. This information and direction will determine the roles of our new Education Assistants. The roles will be advertised early next term to commence in 2019.

Library borrowing and Lexile

We are currently having issues with our Library servers. This means that books are unable to be borrowed and returned books cannot be scanned into the system. Students can still return their books, Mrs Addis will collect and return them when the new server is built and restored next term. We thank you for your understanding in this, we hope to have the new server and the Library up and running by the beginning of next term. Mrs Addis may be looking for some helpers in the first week to get things up to date. Teachers will have access to home readers for students through the classroom, this will ensure the 100 nights of reading program is not interrupted.

Term 4 Term planner

Attached to this newsletter is the term 4 term planner. On it you will see the important dates, including Swimming Lessons, End of Year concert and Graduation assembly. These dates will be updated onto the website also.

ATHLETICS CARNIVAL

On Friday 7th September our Students participated in the Athletics Carnival.

Students enjoyed their races and events and many ribbons were won.

Mallee was the overall winner - 1065 points
Wandoo came second - 870 points
Acacia came third - 819 points

The Sportsmanship Award for 2018 was presented to Josh Reeves.
YEAR 6 CAMP

Camp was awesome! My favourite day was when we went on the Flying Fox. The start was high on the balcony so I started by sitting down and by the end I was running off the edge and going upside down with no hands. On the last day we went to Bounce and we got taught how to do a front flip. (Skye Thornborough)

On camp we had a blast because all week we got to do different challenges and to go to different places like Curtin University, Kings Park, SciTech and Parliament House. We also had fun at the campsite with activities like a Flying Fox and Raft Building and during our free time we had fun one night with all of us playing a big game of spotlight. (Sean Tester)

My favourite thing about camp was Curtin University, which opened my eyes to the world of education and learning. When we did the discovery tour, I felt like I was in my element because the whole university was like a learning town. Also I got to experience virtual reality for the first time which was amazing! (Harry Forman)

Camp was awesome because we got to try new things and work with people who we don’t usually work with. The raft building was great because we had to work as a team and communicate with each other to make the raft go. (Melanie Coyne)

Camp was the one of the best weeks of my life because we did heaps and heaps of activities. The number one thing was the flying fox. On my first go I was scared but after that I overcame the fear and even went upside down. We had plenty of fun at the games night because we worked with someone we don’t usually work with. (Zoe Keley)
Congratulations
Australia Post recently sent our Early Childhood students a colouring in competition.

Congratulations to Justine Sander and Brax Talbot who win a pack from Australia Post for their wonderful colouring in.

SCHOOL BUS INFORMATION

School Bus Services are taking applications NOW for 2019 students needing transport on a school bus. Please do not wait until the new school year as there may be a backlog of applications, this can cause a delay in processing the Bus applications.

If any Year 6 students going to Katanning Senior High School next year need Bus Services, please contact school bus Services on 9326 2625 or drop into the school office for a brochure.

Students may also need approval for any orientation days coming up.
