

Braeside Primary School

Honour, Pride and Achievement

Issue 17 Tuesday 16th November 2021

Vision:

Braeside Primary School is a dynamic learning community that values diversity and fosters a sense of belonging. We meet the needs of each individual through collaborative, reflective, and evolving school-wide practices that provide explicit, engaging experiences. Our students achieve their academic, emotional and social potential and are contributing members of the community.

Principal's News

Class structures are very dependent on our numbers for 2022. We are having to split classes to allow for growth and also to meet the guidelines around class numbers. The planned class structures for 2022 are detailed below. As per our class placement policy, parents can complete a class placement request form to inform the school of specific requirements. It may be that you would prefer your child to be with a specific child, or you may not want siblings in the same class. We value all contributions towards our class placement. Class placement forms are due back on Friday 26th November. I will also be meeting with SEN parents in week 9 to discuss class placement and transition planning. Should you have any queries regarding structures or placement for 2022, please feel free to come and meet with me to discuss.

Remembrance Day Service

We were very proud of our students and the respect they demonstrated during the services that were held on the 11th November. Our Student Councillors, Faction Captains, Scout and Girl Guide representatives along with the whole school population acknowledged our fallen soldiers in different ways. From laying of wreaths, to making poppies and class displays to student behaviour during the silences at assembly. Special mention to the Sander family for creating both wreaths that were laid on the day and to Kaylee especially.

Swimming Lessons

Parents have been informed this week about changes to swimming lessons. These changes are out of our control and we are doing our best to find the best solutions for students. You will be advised of the plans as soon as possible and also be credited payments if needed. We thank you for your understanding with this and encourage any parents who may be interested in swimming teaching as a career to consider this.

Learning dispositions

The students and staff have been busy developing our 6 Learning Dispositions over the past 2 terms. We have finally come up with agreed examples of what each disposition looks like and have attached magpie characters to this. We have also linked the success criteria students use within the classroom to magpies and words that indicate their flight. This will be used consistently across classes in 2022 and beyond, rather than teachers using different methods. This development of consistent understanding across the school supports our students to become learners who self assess.

STUDENTS CBA SCHOOL BANKING

Thursday is School Banking Day - Only a few weeks left of school banking

You may have heard that School Banking through Commonwealth Bank will be closing from 2022. This is unfortunate and we will be sad to see this service end. Braeside Primary School will continue the service until the Thursday 9th December 2021, which is our last banking day for the program.

Students will receive rewards if they are active bankers, so I encourage all of our current School Banking students to send in their deposits. Unfortunately we cannot accept any new banking students, but Commonwealth Bank will be able to process Youth Accounts at the branch.

REMEMBRANCE DAY

On the 11th November 2021 at 11.00am Braeside Primary School commemorated Remembrance Day with an Assembly and respectfully held 1 minutes silence. Girl Guides and Scouts laid a wreath underneath our half mast flags.

Our Student Councillors represented Braeside Primary School by attending the Shire of Katanning's Remembrance Day Service. Two Student Councillors laid a wreath on behalf of Braeside Primary School.
