Principal's News

Thursday was an exciting day for our two students who were finalists in the Annual Vi Barham Award. They had spent time preparing their speeches and had visited every class on the Wednesday receiving feedback from the students. On the day, both boys spoke well, sharing their goals and life experiences so far. Miss Suttie shared with all finalists, their parents and members of the school staff, information about both Harry and Sean. Finalists were all called to the stage and the winner was announced. A very excited and proud Harry Forman went forward to receive the award. Harry received a scholarship of \$2500 and the honour to present the awards in 2019. On behalf of the school we congratulate both boys on their leadership they display around the school and for their commitment to achieve at the highest level.

Supporting students to achieve at this high level is a key focus for Braeside and a new milestone in our Strategic Plan 2019-2021. I spent Friday at Jolimont Primary School in Subiaco, working with a group of Principals, collecting ideas about effective practices other schools have used in this and the Early Years learning areas.

Class Structures for 2019

It is with sadness that we farewell Holly Constantine at the end of 2018. Although Holly has been with us for only 2 years, she will be missed as a crucial part of our school teaching team. Holly has been successful in gaining a position at Hammond Park Primary School and we wish her all the best, our loss is definitely their gain. I am also pleased to announce that Mr Peter Hale will be joining the Braeside teaching staff for 2019, Peter comes to us with many years of experience. Most recently, he has been teaching Year 6 at Bullsbrook College. Our Year 6 cohort will be taught by Mr Hale in 2019.

If you wish to request a specific placement for your child, with regard to peers or siblings, then a Class Placement Request form is attached. The Class Placement Form details that class lists will be published on the School Development Day before school commences. New students and Special Needs students will have the opportunity on the Friday to meet with the classroom teacher, prior to students commencing on the Monday. If you have any questions in regards to Class Placement and would like to meet with me, please schedule an appointment through the front office.

Safety Awareness Day

This is a very special celebration day, that allows students and parents the opportunity to engage with a variety of helping professionals that work in this area. Staff have been coordinating activities and events and we invite parents to come along and join us for a free sausage sizzle, be involved in a range of activities as well as the chance to win some prizes. As a school we are aware that this is a busy time of year, but we are hoping that many parents, carers and younger siblings can join us for this event.

OUTDOOR CLASSROOM DAY

On Thursday the 1st of November the Kindy and Pre Primary children participated in Outdoor Classroom Day in which classes all around the world help to celebrate. In Western Australia 60,000 children participated this year. The children had a great time completing many activities including box collage construction to make hotels for bugs they found in the area, making volcanoes in the sandpit and making stick caterpillars. We also completed a sensory walk which included shaving cream, ice, mud and goop. The children were reluctant to begin with but then were thrilled to have a go. We had a blast getting our feet all wet and dirty. The Early Childhood Teachers look forward to having more outdoor classroom sessions in 2019.

CHAPLAIN'S CHAT:

My role includes supporting the social, emotional, mental, physical and spiritual wellbeing of students, families and staff.

As a YouthCARE Chaplain I provide a non-judgmental, independent service to students and I am available on Thursdays and Fridays.

BASKETBALL CLINIC

On the 6th November 2018 Braeside students participated in a Basketball Clinic held at our Basketball courts.

Students enjoyed learning new skills and enhanced current skills and knowledge.
