

Braeside Primary School

Honour, Pride and Achievement

Issue 18 Tuesday 30th November 2021

Vision:

Braeside Primary School is a dynamic learning community that values diversity and fosters a sense of belonging. We meet the needs of each individual through collaborative, reflective, and evolving school-wide practices that provide explicit, engaging experiences. Our students achieve their academic, emotional and social potential and are contributing members of the community.

Principal's News

We have had a nice change to warmer weather for swimming lessons this week, with the rest of the two weeks promising to be warm also. The warmer weather will be great for our students as they experience Messy Play day on Thursday. This is an idea of our outgoing Student Councillors who suggested the day and have organised it all themselves. They have a wide range of activities planned and it will be a fun day for all. Students can bring along old clothes or wear them for the day, but from looking at their planning, I believe a change of clothes will be needed.

New Staff Induction

Yesterday, we held the induction day for our new staff. Three of our new teachers attended in person and 1 new teacher was on WebEx for the day. Our school leaders supported the staff, guiding them through our Literacy, Numeracy and Genius Time plans for 2022. The new staff bring with them a range of teaching experience. Miss Castro is currently teaching in Derby, and has been for the last couple of years in Junior Primary. She is excited to be permanently joining the staff at Braeside, catching up again with Mrs MacNicol whom she knows from Derby. Miss Dufall is a second year out teacher, who completed her first year teaching Year 2/3 at Katanning Primary, she also joins our staff permanently. Miss Jackson brings with her 5 years of teaching experience, more recently Kojonup and Kukerin, she is excited to be working alongside Miss Cremen again. Miss Parker will be joining us in the Kindergarten next year, to teach our second

Kindergarten class. She is a graduate who has completed the last term at Kukerin also. I would like to give a special mention to our leaders for their time yesterday and also the ongoing time they will spend in the next few weeks and over the holidays supporting their buddies. Moving to a new town and a new school is a big change, with the support of leaders from within the school, we can make the transition smoother and easier for all, which then impacts student learning as we move into 2022. Thanks to Miss Smallacombe, Mrs Campbell, Mrs King and Miss Palmer.

Reports

Reports will be distributed to students next Thursday 9th December. Parent interviews will be available on the 13th December. If teachers have requested an interview, could you please return the interview request form. Also, if you would like to have a chance to chat about how your child is going and ways to prepare for 2022, this is the opportunity.

Class Placement

Thanks to all parents who have submitted a class placement request form. Class placement will be completed and posted on the noticeboard window on the Thursday before school starts. Classrooms will be open from 2.30pm on the Friday if you wish to call in and introduce your child to their teacher. This will also support students with transition who have a slight fear of the unknown and want to know what their new class looks like. SEN students can meet their teacher and attend the classroom from 2.00pm. This will give these parents and opportunity to discuss arrangements. A special form will be coming home with SEN students this week to allow us to collect consistent information for each child. Could we ask these forms are returned as soon as possible.

FLEXISCHOOLS CANTEEN CLOSURE

This week is the last week for Canteen services. It is unfortunate that this service will be ending and this Wednesday 1st December and Thursday 2nd December 2021 will be the last days that students will be able to order their lunch through Flexischools.

From next week, students will need to bring their lunch to school.

END OF YEAR CONCERT

Next week, Wednesday 8th December is our End of Year concert. The night will commence at 6.00pm in our undercover area.

Students have been practising ready for their big night and we look forward to families joining us for their special night.

Drink bottles

Please send your child/ren to school with a drink bottle.

Our drinking fountains are working, but with the hot weather, students need to be able to have their drink bottles in class, please send a drink bottle every day for your child/ren with their name on.

Thank you

school banking**

You may have heard that School Banking through Commonwealth Bank will be closing from 2022. This is unfortunate and we will be sad to see this service end.

Braeside Primary School will continue the service until the Thursday 9th December 2021, so there is only two Thursdays left.

Students will receive rewards if they are active bankers, so I encourage all of our current School Banking students to send in their deposits.

Unfortunately we cannot accept any new banking students, but Commonwealth Bank will be able to process Youth Accounts at the branch.
