

# Braeside Primary School

**Honour, Pride and Achievement**

Issue 9, Tuesday 18th June 2019

## Vision:

Braeside Primary School is a dynamic learning community that values diversity and fosters a sense of belonging.

We meet the needs of each individual through collaborative, reflective, and evolving school-wide practices that provide explicit, engaging experiences. Our students achieve their academic, emotional and social potential and are contributing members of the community.

## Principal's News

Thank you to all parents who have now completed the parent survey. We have now closed the survey, staff and School Council will meet to analyse the information before sharing this with you.

School Council have also recently completed a survey of their effectiveness, which has led to the group establishing some actions. We have placed the minutes of School Council meetings onto the school website for parents and community members to read. As a group we will also be updating Facebook and the newsletter with our actions. Our current focus areas are the reviewing of the school logo, co-ordinating the School Uniform Policy review and preparing as a group for the upcoming School Review in Term 3.

### Dumbleyung Speech and Drama Festival

Thank you to all the parents who transported students across to Dumbleyung and to Mrs Newman for co-ordinating the day. It was terrific to see students receive recognition for both their poetry recitation and their art works. The Festival is important as it gives children a chance to shine in their particular area of interest in The Arts.

Congratulations to:

Eva Kowald - Winner in Art - Painting

Mia Ramm - Winner for Year 3/4 Humorous Poetry.

Sophie Harris - Highly Commended for Art - Drawing

Nathan Smith - Highly Commended for Art - Mixed Media

## Important Dates

### Narrogin Cross Country

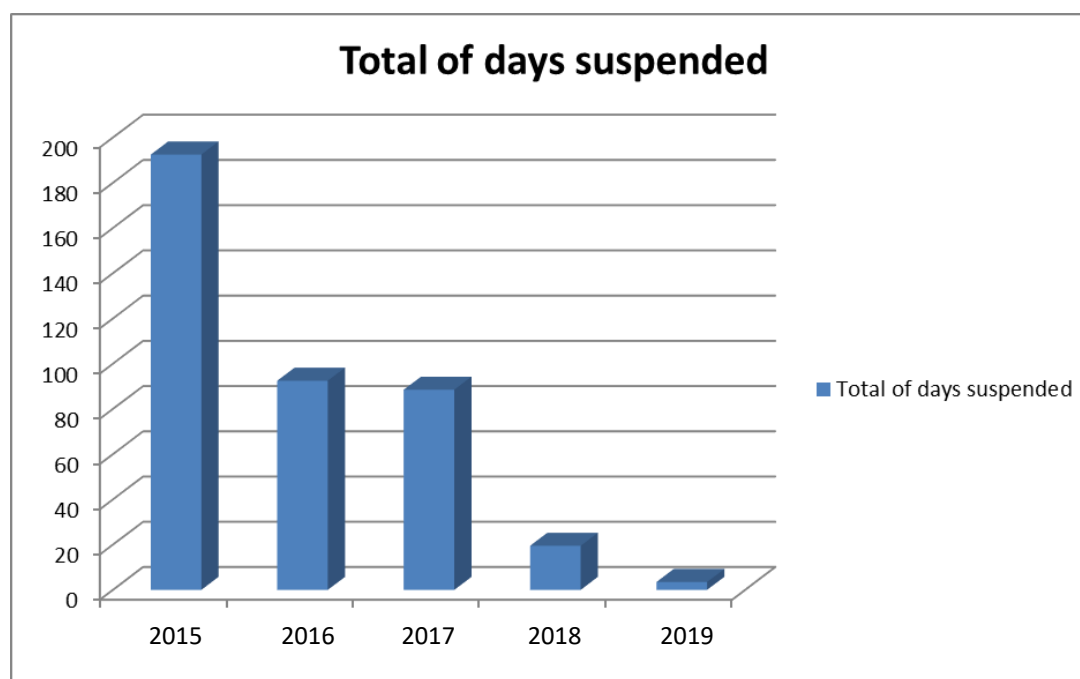

Just as our students had the opportunity to perform at Dumbleyung, those who excel in long distance running had the opportunity to compete at Narrogin for the Cross Country Championships. There were some incredible individual efforts, as well as a committed effort from the whole team. Again, thank you to the parents for providing transport for the day and Miss Collins for organising and coordinating the event. Congratulations to Charlie Kowald for 1st place in the 10 year old boys division and also to Kaydance Boyd for 5th place in the 10 year old girls division.

### Behaviour Data

As we move into the half way mark of the year, I wanted to share some pleasing data with you. Although the data relates to suspensions, the opposing data is equally reflective. The number of Free and Frequent tokens that students have received across the school this term for displaying behaviour that relates to Braeside's Best is through the roof. Mallee have already received their faction total and Acacia and Wandoo are not very far behind. Individual classes are also very close to receiving their class totals. I have included a table of the suspension data from 2015 to today, although only half way through 2019, the data is still astounding. Yellow slip data is also reflective of this, with 98% of students on track to attend good standing for behaviour this term. The change has been bought about through a combined and targeted effort by staff and parents working together to support their students. Our Zones of Regulation and classroom behaviour system has also had significant impact, the Positive Behaviour Support program is continuing this work. Students at Braeside have a clear sense of the behaviour that is expected of them in the classroom and the playground.

School Year	Total of days suspended	% of school population suspended
2015	192.5	10.90%
2016	92.5	6.90%
2017	88.5	5.30%
2018	19.5	3.40%
2019	3.5	1.4

## Reports

Teachers have completed student reports and Administration are in the process of editing these. Kindergarten reports this year will be on the Department of Education template. This is different from our previous format and includes the areas of the Early Years Learning Framework. We will be collecting feedback from our Kindergarten parents after they receive this report. Parent interview forms have gone home with the last newsletter. If you have misplaced yours, please do not hesitate to contact the school office and collect a new one. We have set aside the Tuesday of week 10 for parent interviews.

## SCHOLASTIC BOOK FAIR

These amazing books were earned through the commission we received at the last Book Fair for our school Library.

Thank you to everyone who supported the Book Fair, these books are now available for the students to enjoy.

## Old Car or Truck Batteries WANTED

The Kerin family, along with a few Braeside Families, are organising a Car Battery Drive to raise funds for the Braeside P&C Playground revamp (with part proceeds to the Badgebus Hall Renovation).

If you have access to old car or truck batteries we would love to hear from you.

Batteries will be collected during the week of 24<sup>th</sup> – 27th June.

If you are happy to drop batteries off, or have some to donate please contact

**Matt Kerin on 0429 376 593.**

A Huge THANKYOU in advance to the Kerin, French, Harris, Ramm and Kendall families.

Braeside P & C

Money Raised from  
RECYCLING ME will help  
build Braeside a new  
playground area.

# Science at Braeside PS

This term in Science, Braeside Primary School Students have explored Chemical Science concepts.

The Year One and Two students are learning about different materials. This includes what things are made of and what makes something strong or weak. These students are constructing houses that can survive wind (a hairdryer) and water.

The Year Three and Four students are exploring different solids, liquids and gases. They are looking at what happens when heat is added or removed to opposing matter. The Year Four students have also investigated natural and processed substances.

The Year Five and Six students are also exploring different states. Students have identified that gases have a mass and are currently learning about different chemical reactions that can occur between matter.

All students are to be commended for their efforts in Science.

Miss Chelsea Collins.

# science

### Incidence of Ringworm

There has been a report of Ringworm in the school community, please take note of the following information for controlling Ringworm.

Ringworm:	A common fungal infection of the skin that usually affects the scalp, fingers, skin, toenails and feet.
Transmission:	Skin-to-skin contact with an infected person, infected animals or contaminated articles.
Incubation Period:	Varies with the site of infection.
Infectious Period:	As long as lesions are present.
Exclusion:	Exclude until person has received anti-fungal treatment for 24 hours.
Treatment:	Anti-fungal treatment available - refer to doctor. Bedlinen, towels and clothing should be washed in hot water. Cats/dogs should be examined and treated as necessary.
Contacts:	Do not exclude.
Immunisation	Not available.

## DUMBLEYUNG SPEECH AND DRAMA

The following students attended this year's Dumbleyung Speech and Drama Festival at the Dumbleyung Town Hall on Friday 7th June 2019.

Mia Ramm, Izabella Menz, Billie-Jo French, Dakotta Hook, Olivia Hartley, Courtney Tester, Lucinda Kendall, Eva Kowald, Zane Flugge, Kaleb D'Aprile, Patrick Menghini, Jahrell Campbell, Amber Flugge, Kayla Fidler, Melody Tha, Maddison Fidler, Emma Forman, Aina Azni, Sophie Harris, Kaydance Boyd, Trinity Wilson, Kaylee Sander, Nathan Smith, Nevayeh Tasarip, E-J Tussler.

Congratulations to all students for their participation in the Festival.

Braeside Primary School has a box at Woolworths, so please put your stickers or completed sheets in the box to help us earn stickers for amazing school equipment. We also have a box in the school office, along with lots of sticker sheets for your stickers, please pick up the sheets if you need some at home.

Thank you for your involvement for our students.

We have 27,936 Earn and Learn Points so far.

**Finishes 25th June (next Tuesday) so please get those stickers back to school as soon as possible.**

## School Nurse Information

### Hand washing

Washing hands is the easiest way to protect ourselves from contagious diseases, like colds, influenza and gastroenteritis. Hands should be washed before and after eating or preparing food, after going to the toilet and after nose blowing.

When teaching your child to wash their hands:

- \* Use clean water and soap, making sure they cover their hands and wrists.
- \* Use a brush to clean under nails if they're dirty too
- \* Dry their hands with something clean (like a paper towel)

Alcohol based sanitizers are useful when soap and water is not available. Use half a teaspoon of the product and encourage your child to rub their hands together until they're dry. If you can see dirt on their hands, it is better to use soap and water.

For more information go to [www.healthywa.wa.gov.au](http://www.healthywa.wa.gov.au)
