30 January 2023

Dear Parents/Guardians

My name is Michelle Stone and I am excited to welcome your child in my Year 6 class in 2023. After living and working in the Kimberley for the past three years, I was thrilled to take a teaching position at Braeside Primary. I am looking forward to living in the Southwest and getting out and about exploring the area.

Year 6 is an exciting year with lots of learning experiences and activities that are focussed not only on academic pursuits but on students social-emotional development for example:

- Development of self-management and leadership skills
- Increase in self-esteem and responsibility
- Exposure to and an increase in understanding of diverse perspectives

These key life skills are essential in developing their independence and resilience in order to ensure a successful and smooth transition to high school.

I look forward to getting to know your child and working with you throughout the year. Please feel free to contact me with any questions or concerns by email at Roslyn.Stone@education.wa.edu.au or alternatively you can make an appointment to meet with me before or after school.

Warm regards

Ms Michelle Stone
Year 6 Teacher
Braeside Primary School
