

INTRODUCING YOUR NEW TEACHER

MRS KING

A BIT ABOUT ME!

Hello! My name is Mrs King and I have been given the privilege of teaching you this year! I have a passion for teaching and I love making learning fun. I grew up in the hills of Perth, and lived in Kalgoorlie and Capel before moving to Katanning in 2018. I graduated from Edith Cowan University with a Bachelor of Education (Primary) in 2019. I love to garden and cook with fresh produce and hope we can do lots of this together during the year! I am looking forward to meeting and getting to know all about you, your interests and your family!
